MEMORANDUM FOR: Director of Communications 

INFO : Director of Training  
: Chief, Career Management and  
Training Staff, OC

SUBJECT : Repayment of External Training Expenses

1. I have separately submitted my resignation, and have accepted a position in private industry.

2. Since I received sponsored external training and am resigning before the completion of my obligated service period, I must repay certain of the costs of my training.

3. The purpose of this memorandum is to request that I be given credit for a portion of those costs to be determined by computing my service time since completion of training as a fraction of my obligated service time. I have separately asked the Director of Training to determine my length of service obligation.

4. I believe this proposal is an equitable one and earnestly request your approval.

What is the right  
practice on this?

Mr. Coffey:

We have precedent for this type arrangement for departing employees to meet external training obligations. I have talked with [ ] in Training who said that the total expense was about \$6,000. On a prorated basis Mr. [ ] would have worked off about \$1,200, leaving an obligation of about \$4,800. I recommend that you approve Mr. [ ] recommendation and that the paper be forwarded to the Director of Training to determine the exact amount due.
